Business Professional and Certified Manager

Learn what it means to perform as a strategic partner, contributing to business strategy, formulation and shaping business demand for the provider's services.

Our Business Relationship Management Professional (BRMP®) training and certification is a comprehensive foundation for Business Relationship Managers at every experience level, providing an internationally recognised solid baseline level of knowledge.

The Certified Business Relationship Manager (CBRM®) training and certification focuses on advancing to the role of Strategic Business Relationship Manager, so is perfect for those at an intermediate or advanced level.

A ByteSize introduction to **BRM®**

“

The entire experience of dealing with Training ByteSize was an extremely pleasant one from initial enquiry through to completing the training.

I had an excellent and very knowledgeable trainer who took time to ensure that all delegates had understood the topics, occasionally seeking out new ways of providing explanations.

Best course I've attended in a long time. Would not hesitate to recommend.

Jane Darlington
