Hi there, we're Training ByteSize

Training ByteSize is a family run and owned business with over 20 years' experience delivering accredited Project and Programme Management training courses via e-learning and instructor led events. We are small enough to care but big enough to support you from start to finish for any project management training requirements you may have.

The team at Training ByteSize are one of the most experienced in the Project and Programme industry and have been responsible for developing courses used by over 5,000 companies worldwide.

We are delighted to provide the following course bundles through ELCAS

How to apply

To claim please visit: www.enhancedlearningcredits.com/serving-personnel/claiming-etc-personnel and download a claim form.

You must then submit to your Education Staff either by paper or electronically 25 working days prior to your course start date and include the following:

- Fully completed claim form.
- Full information about the course that you wish to undertake and include details of your registration date where applicable
- On receipt of your Claim Authorisation Note (CAN), you must present it to Training Bytesize who can then provide you with information on how to make any personal contributions due.
- Training ByteSize will then arrange for you to receive all the training materials to begin your training on your start date.
